THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

NOTE FOR:

Deputy Director, FBIS

FROM:

Henry S. Rowen  
Chairman, NIC

SUBJECT:

Support Provided and Request for  
Information on Salvadoran  
Casualties

Thank you for the assistance you and your analysts provided in helping us to compile statistics on government and guerrilla casualties in El Salvador in 1982. Reviewing and culling the pertinent information from the Daily Report for an entire year is a formidable task, and we greatly appreciate the timeliness of your response.
